

Complete HR Solutions for the Modern Cannabis Industry

The Right Solution

With the cannabis industry growing so quickly it can be difficult to keep up with day-to-day business operations, especially payroll and HR. Don't let the ever-changing world of new law and regulations keep you from your passion. We can keep you compliant with state and federal human resource & payroll laws, as well as managing your personnel. Let Greenleaf HR's team of human resource experts help navigate your business to success, often for much less than in-house. **Work smarter with Greenleaf HR.**

Why should you choose Greenleaf HR?

 Increase workplace productivity & profitability

 Eliminate non-revenue generating employee related tasks

 Have peace of mind knowing payroll will always be accurate and on-time

 Attract and retain better talent with great benefits
